REMARKS

The notice of November 29, 2006 stated that an inconsistency exists between the specification and the drawings and requests that a description of FIG. 7 be included. However, it is respectfully submitted that FIG. 7 was canceled by amendment on October 23, 2005 and so it is believed that the intention of the notice is to require the deletion of the description of FIG. 7 as provided herein. This response is due on or before December 22, 2006. Accordingly, this submission is timely filed. Although no other fees are believed due, the Commissioner is hereby authorized to charge any additional fees that may be due, or to credit any overpayment to Account No. 50-0311, Ref. No. 34793-503.

Respectfully submitted,

Date: December 4, 2006
